SMCA Transition Metrics

17 April 2007

Metric Points of Discussion

- **Data Collection is a manual process**
  - **Projected procurements extracted from the BES**
  - **Mid-October: Request Services update projections with actual procurements**
- **Determining whether an item meets the definition of "SMCA-assigned" or "Service-retained"**
- **Transition Call Letters – basis for Transition Execution metric**
  - **Expect letter to be signed out following May JOCG meeting**
  - **Potentially requesting additional information**
